

FOR PARENTS: WHAT IS ccPATHFINDER?

ccPathfinder enables students to build a personalized course plan, designed to help them meet graduation requirements, and put them on the right path for post-secondary and career readiness.

With ccPathfinder, students and parents can view critical information online, including student's individual course history, the school's course information, including pre-requisites, as well as graduation tracking and recommended courses.

Career Cruising believes that family engagement is critical to promote student success. With ccPathfinder, families can easily become involved in the student's course planning.

ccPATHFINDER OFFERS:

Online Course Information

An organized, intuitive way to learn about different courses that are available at your school.

Online Course Planning

Students can plan courses for their future based on post-secondary institutions and careers researched in Career Cruising. ccPathfinder also presents courses completed in the past and grade marks.

Graduation Requirements

ccPathfinder will track student progress towards meeting graduation requirements.

Cluster Tracking

Students can plan courses based on Career Cruising Clusters (e.g. Information Technology, Hospitality and Tourism, Business Management). This helps students ensure they are on the right track to meet their future goals.

Course Recommendations

Students can view course recommendations made by counselors or teachers.

To find out more about Career Cruising, we encourage you to login.

The link to the login page will be posted on your district and/or school website.
