Dear Durand-Arkansaw School District Families,

At last evening's meeting, the Board of Education approved a plan for the end of the 2019-20 school year and the start of the 2020-21 school year. Mr. Doverspike has explained the plan in detail; click this link for his document: [Please take time to read the plan and share the information with your students.](#)

Free meals will continue through June 30, although our procedures may change after the last day of student instruction on June 3. We will share those details in a future update. If you are still interested in signing up for the free meals, you can do so by emailing [lunch@durand.k12.wi.us](mailto:lunch@durand.k12.wi.us). If you do not have access to email, please call the District Office at 672-8919. All students are eligible; there are no income requirements.

Buffalo County Public Health and the Pepin County Health Department have asked us to share information regarding COVID-19 testing in our area tomorrow, Friday, May 1, 2020. Click here for their press release with details: [Click here for their press release with details:](#)
