Thursday, May 28, 2020 - 5:15 p.m.

Dear Durand-Arkansaw families,

Today was the final day of our school year meals delivery program. We have distributed 54,616 meals since mid-March! About 650 children in our school district participated in the free meals program.

Our June meals program begins next week. If you would still like to sign up, please do so by tomorrow, Friday, May 29, by 7:00 p.m. by sending an email to lunch@durand.k12.wi.us. If you are unable to email, please call the District Office at 672-8919 and leave a voicemail message at extension 137 (Gretchen Cipriano).

Meals distribution will take place from 11:30 to 11:45 a.m. on Mondays and Wednesdays at four sites around our school district:

- Rock Creek Lutheran Church - N1101 810th St., Mondovi
- Maxville Town Hall - S451 State Rd. 25, Maxville
- Community of Christ Church - N6378 County Hwy. D, Arkansaw
- Caddie Woodlawn Elementary School - 650 Auth St., Durand (11:15 - 11:45 a.m.)
- (The Eau Galle site has been eliminated due to low numbers.)

Each child will receive meals for 2 days on Mondays and meals for 3 days on Wednesdays.

Procedures for meals distribution:

- If possible, only one person per household should come to the distribution point. (We realize that this may not be possible due to child care issues.)
- **Everyone must remain in their vehicles.**
- Bring with you a piece of paper with your children's names written on it. A piece of notebook paper written on in large print with a marker is recommended. You will hold this sign up to your window when you near the head of the line.
- If you need to have other people pick up your meals, simply have them list their name on the piece of paper, along with your name and your children's names.
- Please wear a mask for the few minutes when it is your turn to receive meals.
- The distribution point will be a bus or school van parked at each location.
- When you reach the front of the line, please pop your trunk or back hatch. Staff will set the meals into your vehicle. (This follows the latest CDC guidance.) If this

is not possible, please roll down a window where nobody is seated. As a last resort, staff will hand the meals through the window to the driver.

- Please follow directions of the on-site staff, as each of our sites is set up differently.

The June meals program will run throughout the month of June, then our school food service department will close down for the remainder of the summer.

If you have any questions regarding the June meals program, please email lunch@durand.k12.wi.us.

Thank you,
