August 19, 2020

Dear Parent(s) or Guardian(s),

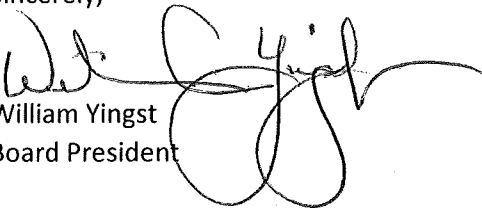

We are sure many of you are looking forward to getting back to some form of normal and are excited for school to start this year. We are also sure that there is a certain amount of apprehension and nervous energy as we enter into a school year unlike any other.

We wanted to assure you that we are excited to have the students back in the building and know that our staff is excited for this as well. We also wanted to assure you that we have implemented and planned for as safe a school year as possible and are continually looking for ways to make the school even safer.

With this uncertain time, there are going to be changes and adjustments that will need to be made this year. We will communicate those changes in as timely of a fashion as possible. We greatly appreciate your patience as we adjust this year. Plans will continue to be fluid as we move through the year.

As always, if you have any questions please feel free to contact the building principal of your child(ren) or another administrator.

Sincerely,

William Yingst
Board President
